# COLORING GUIDE

(APPENDIX FOR "THE CIRCLES OF MAGUS")

# **THE MAGUS COLORING GUIDE: REIGNITING THE CIRCLES**

## **1. THE LANGUAGE OF COLORS IN MAGUS'S REALM**

EACH HUE ONCE HELD POWER IN THE KINGDOM.  
**HERE'S HOW TO RESTORE THEIR MAGIC:**

**GOLD/YELLOW:** THE KING'S RADIANCE – USE FOR CORES OF POWER, SUN MOTIFS, OR TO HIGHLIGHT SACRED WORDS.

**DEEP BLUE:** WISDOM OF THE ANCIENTS – IDEAL FOR GEOMETRIC BORDERS OR SYMBOLS OF LEARNING.

**VIOLET/PURPLE:** MYSTIC VISIONS – COLOR TRANCE-INDUCING PATTERNS OR PORTALS TO OTHER REALMS.

**EMERALD GREEN:** LIFE FORCE – PERFECT FOR VINES, EYES, OR SYMBOLS TIED TO NATURE.

**CRIMSON RED:** SORCERER'S FURY – USE SPARINGLY FOR DANGER, BLOOD OATHS, OR TRAPPED MAGIC.

**SILVER/WHITE:** MOONLIGHT – FOR ILLUSIONS, MIRRORS, AND HIDDEN MESSAGES.

**BLACK:** THE VOID – NOT JUST OUTLINES! FILL NEGATIVE SPACE TO MAKE COLORS POP WITH EERIE GLOW.

**"THE THIEF LEFT THE CIRCLES BARREN, BUT YOU—ARTIST—HOLD THE PALETTE OF A GOD."**

## **2. TECHNIQUES TO MAKE YOUR COLORS SING**

**LAYERING SPELLS:** BLEND COLORED PENCILS FOR ETHEREAL GRADIENTS (START LIGHT, BUILD DARKNESS).

**MARKER SORCERY:** USE A COLORLESS BLENDER TO CREATE "MAGIC MIST" EFFECTS.

**INK ALCHEMY:** METALLIC GEL PENS CAN REVIVE FORBIDDEN GOLD LOST TO TIME.

**SHADOWPLAY:** ADD DEPTH BY DARKENING EDGES OF CONCENTRIC CIRCLES.

## **3. OPTIONAL RITUALS (FOR THE BRAVE)**

**COLOR WITH INTENT:** WHISPER A WISH AS YOU FILL A SYMBOL—LET IT SEEP INTO THE PIGMENT.

**MOONLIT SESSIONS:** COLOR BY CANDLELIGHT OR FULL MOON FOR "AUTHENTIC" MYSTIC VIBES.

**SIGIL CHARGING:** ONCE FINISHED, PLACE YOUR ART UNDER YOUR PILLOW TO DREAM INTO MAGUS'S REALM.

## **4. SHARE YOUR POWER**

TAG **#CIRCLEOFMAGUSREBORN** ON SOCIAL MEDIA TO JOIN OTHER COLORERS IN REWEAVING THE KINGDOM'S MAGIC.

***(THE MOST RADIANT RESTORATIONS MAY RECEIVE A KING'S BLESSING!)***
