Apollon

Appolon was the god of the Sun. He was one of the few entities that had the same name in the Greek and Roman Pantheon. He was the god of harmony and music. He was associated with omens and prophecies that's why many oracles and especially the one in Delphi was dedicated to him.

Apollon was also related to higher education and knowledge and he was known for his ability to heal all wounds of the soul and the body. Apart from healing he could also cause severe health issues. Apollon's parents were King Zeus and Titanis Leto. This superior god of the Greek Pantheon had no spouse but he created many powerful offspring like Asklepios who was an entity related to medicines and healing. Animals associated with Appolon were the Swan, the Raven, the Mouse and the Wolf. Plants associated with Apollon were the Laurel and the Larkspur.
