**Preferred Moon**

**Phase: New Moon**

**Preferred Times of Day: Dawn or Dusk**

**Spell Casting Details:**

**Find the right time and day that you will perform the magick spell. Prepare yourself by reducing food and drink consumption 2-3 days before the spell casting. When you are ready to cast the spell anoint the 2 candles with quality oil, light them for a few seconds while keeping them in your hands then extinguish them. Meditate upon good things and fortunate events for**

**...a few minutes. Set a goal of what you want to achieve whether it is money (cash), digital money, gold or maybe something to improve your life like a better home for example. Keep your goals clear, then place the candles in some distance from each other on the Altar. Visualize that the left candle represents you and the right candle represents your prosperity goal. Keep the candles burning for a few minutes while you continue your visualization. Imagine you already have what you are looking for. This is pure creation with magick and the powers of ourselves. Then extinguish the candles and hide them from the light of day...**

**The next day...**

**At the same hour and at the same manner perform the spell again but this time place the candles closer than the previous day. Perform the spell for a full week preferably on a New Moon phase.**

**The last day...**

**Let the candles fully burn and then get rid of the remnants of the spell with discretion. You are done, Prosperity awaits! So Be It!**

**Spell #: Healing Spell #1**

**Spell Name: Magick Spell to heal from the magick of others and to increase our powers**

**Spell Items:**

**A piece of quality paper** \_\_\_\_\_

**A magick pencil** \_\_\_\_\_

**Matches** \_\_\_\_\_

**An Altar** \_\_\_\_\_

**Preferred Moon Phase:**

**Waning Moon**

**Preferred Times of Day: Dawn or Dusk**

**Spell Casting Details:**

**This spell is for when there is evil magick casted upon you and you want to be healed and start thinking like yourself again. You should have a paper of some value where you will represent yourself (e.g. with a human figure) by drawing with the pencil. Then you will burn the paper on your Altar and this is how the casting process is finished. Of course you must visualize that your**

**...the bad magick is destroyed and it cannot affect you in a negative way any more. The better your visualization skills, the better the effects of the Spell.**

**To sum it up you should retreat in your private space where you can feel safe from harm even though there is a battle going on.**

**Then take the piece of paper and the pencil and draw a figure of you in the center of the paper.**

**Finally create layers of Protection around your figure. Visualize the negative magick being recycled or converted to positive energy. Nothing is only Evil or only Good even Good and Evil itself.**

**When you are done visualizing you can burn the paper by using some type of sacred matches. As the fire is burning and the paper becomes ash, so as the evil magick of the attacker and the attacker itself to become ash and never again to send any more evil magick...**

**Be discreet when disposing off the remnants this spell. If you have an Altar it will help the casting process to burn the paper on your Altar.**

**To eternal healing & Protection.- So Be It!**

A piece of quality paper \_\_\_\_\_

A magick pencil \_\_\_\_\_

Quality anointing oil \_\_\_\_\_

An Altar \_\_\_\_\_

A plant that you love \_\_\_\_\_

**Preferred Moon Phase:**

**Full Moon**

**Preferred Times of Day:** NightTime

### Spell Casting Details:

This spell will help you be beautiful, feel good about yourself and be loved by others. It will also make you appear like a person with intellectuality. Wait for a Spring Full Moon and when the time comes retreat near your Altar and write with the magick pencil the following words: "Beauty is mine, because I am Beauty". Then fold the paper 2-3 times and then being...

**...quick dip your finger in a small plate with some quality anointing oil and finally leave your fingerprints on the paper where the magick words were written.**

**For this spell you will need a plant that you like and one that you take care of. You should bury the piece of paper in the plant's ground when the Moon is in its Full Moon phase.**

**Visualize that you have the blessings of Beauty and keep being a person with clear heart and clear goals.**

**This magick spell with the Element of Earth is very powerful and it will show you the way to be beautiful at all times and places.**

**Keep taking care of your plant by watering it and visualizing it is a channel between you and true magick. For the purpose of this spell you can choose a flower that blooms.**

**Another thing you should take care of is yourself. Do things that make you feel good & beautiful, wear some nice clothes, eat well, have fun while enjoying the benefits of the magick you created...Beauty is yours. So Be It!**
